

**National Foundation for Infectious Disease  
Fall 2018 Clinical Vaccinology Course  
Bethesda, MD; Live Activity November 9-10, 2018**

**Continuing Education Information**

This continuing education activity is provided through collaboration between NFID and Professional Education Services Group/AffinityCE (PESG/ACE). This activity provides continuing education credit for pharmacists and pharmacy technicians, as well as a general participation certificate for other attendees.

At the end of this activity, participants should be able to:

- Describe how vaccines work in providing individual and community protection
- Describe the current Advisory Committee on Immunization Practices (ACIP) immunization recommendations across the lifespan
- Describe indications, contraindications, efficacy, and safety profiles for ACIP recommended vaccines including recommendations for people with immunocompromising and medical conditions as well as international travelers and healthcare personnel
- Discuss innovative and practical strategies to improve communication with patients, parents, and caregivers about the risks and benefits of vaccination
- Recognize attitudinal, knowledge, and other barriers contributing to suboptimal vaccination rates
- Identify best practices for implementing or improving immunization programs in specific practice settings

**Disclosures:**

PESG/ACE staff, planning and review committees have no relevant financial or non-financial interests to disclose. The following financial and/or non-financial relationships are disclosed:

Ruth M. Carrico (Lead Nurse Planner) owns stock, stock options, patent, or other intellectual property from Merck & Co., Inc. and Pfizer Inc.; serves as an advisor or consultant for Pfizer Inc. and Sanofi Pasteur; received grants for research from Pfizer Inc. and Sanofi Pasteur; and served as a speaker for Pfizer Inc. and Sanofi Pasteur. ▪ Wilbur H. Chen (Faculty) received a research grant and served as a contracted researcher for PaxVax, Inc. ▪ Sara E. Cosgrove (CPE Committee) served as an advisor or consultant for Novartis and Theravance Biopharma. ▪ Marla Dalton (NFID Staff) owns stock, stock options, patent, or other intellectual property from Merck & Co., Inc. ▪ Jeffrey A. Goad (CPE Committee) serves as an advisor or consultant for Merck & Co., Inc. ▪ William Schaffner (NFID Medical Director, co-chair) serves as an advisor or consultant for Dynavax Technologies Corporation, Merck & Co., Inc., Pfizer Inc., Seqirus, Shionogi Inc., and SutroVax. ▪ Kenneth E. Schmader (Faculty) received a research grant from GlaxoSmithKline. ▪ H. Keipp B. Talbot (CPE Committee) serves as an advisor or consultant for Seqirus and VaxInnate; and received grants for research from Gilead Sciences, Inc., MedImmune, and Sanofi Pasteur.

All other faculty, activity planners/reviewers, and NFID staff for this activity have no relevant financial or non-financial interests to disclose.

## Pharmacists and Pharmacy Technicians

Professional Education Services Group is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This knowledge based activity will provide a maximum of 14.50 contact hours for participants attending all conference CPE activities. UAN 0829-0000-18-267-L04-P/T, Release Date 11/10/2018, Expiration Date 11/10/2021. Participant CE records will be electronically communicated to CPE Monitor. The cost to participate in these CE sessions is included in the registration cost for the Conference.

## Other Professionals

All other health care professionals completing this continuing education activity will be issued a Certificate of Participation indicating the number of hours of continuing education credit. This may be used for professional education CE credit. Please consult your accrediting organization or licensing board for their acceptance of this CE activity.

## Commercial Support:

Commercial support was provided for this activity. Please view the course materials for additional information.

## Participation Costs:

The cost to participate in these CE sessions is included in the registration cost for the Conference.

## Additional Information:

Please view the program book for additional information.

## CPE Inquiries:

For all CPE related inquiries, please contact us at [ce@affinityced.com](mailto:ce@affinityced.com).

## How to Earn CE Credit

### Fall 2018 Clinical Vaccinology Course

1. Go to the following URL: <https://nfid.cds.pesgce.com>
2. Select the activity: **Fall 2018 Clinical Vaccinology Course**
3. Enter an e-mail address and password to begin setting up your profile. Select "I Forgot My Password" if you need to reset the password you set up.
4. Verify, correct, or add your information.
5. Proceed and complete the activity evaluation.
6. Upon completing your evaluations, you can print your CE Certificate. Your CE record will also be stored here for later retrieval.
7. The website is open for completing your evaluation for 30 days after the event until 12/8/18.
8. Pharmacist and Pharmacy Technician CE records will be electronically communicated to CPE Monitor.
9. After the website has closed, you can come back to the site at any time to print your certificate, but you will not be able to add any evaluations.

Please send any customer service requests to [cds\\_support+nfid@affinityced.com](mailto:cds_support+nfid@affinityced.com).
